A Letter From Our President

Happy Summer Credit Union Family!

This summer we have lots of exciting things for members of all ages.

If you are in the market for a vehicle or would like to refinance your current vehicle to get a lower rate, be sure to check with us first. Our rates are very competitive and you will receive exceptional member service during this process.

If you don't have a checking account with us, now is the time to make the switch. There are some great promotions for regular checking accounts and teen checking accounts that you might want to take advantage of.

July 22-26 is Youth Week. There will be fun events happening on our website www.muskfedcu.com and in person at our credit union branches. We also offer Credit Building Visa's to get anyone 16 years or older on the right path to building credit. With our Report Card and Diploma offers and Youth Week coming up, now is the perfect time to tell your family or friends that are 18 years old or younger to join the best credit union ever!

Here at Muskegon Federal Credit Union, you are more than a member, you are family. I want to ensure you are getting the most out of your membership. Don't forget to download our mobile app if you have not done so already. This will be an added convenience for summertime travel and for taking care of your finances on a daily basis.

Serving you,

Toni J Winskas

President
